A DOG'S LIFE CAN BE FUN

DOG DAYS—Some of the many pets, and their owners, who participated in last week's pet show at Belle Haven school. Not shown are some cats, who also joined in the fun; two frogs, whose owners took them home early, and the winner of the prize as "most unique" pet. (See story below.) —Recorder photo.

The Frogs Went Home:

Dogs, Cats Win at Belle Haven Pet Show But Chicken Puts the Prize on Ice

Two frogs and a turtle went home before judging was over, but a frozen white Leghorn chicken, who died several weeks ago, won the title of "Most Unique" at the Belle Haven pet show last week.

Setting was the Belle Haven school playground, where the city recreation department has a summer activities schedule going four days a week, under the direction of Pat Ready and John Schafer.

Wilma Smith accepted the posthumous award for her deceased pet "Half Freeze." So fond of the chicken was Wilma that, following his demise, she kept him on ice for presentation in the pet contest. When announced winner, "Half Freeze" was incarcerated in a brightly-ribboned package, complete with red leash.

Judges were Mrs. J. E. Booth, Mrs. W. E. Arthur, and Mrs. W. M. Pingree, mothers of Belle Haven playgrounders.

WINNERS

Other prize winners included 10 canines and five felines, whose titles ranged from "He with the longest tail" to "she with hte prettiest hair." Francis Simmons' pup "Boy" was named dog with the longest tail, while Mike Goulden's cat won a similar title in the feline class.

"Susie," a dog owned by Barbara Donhardt, also drew laurels for a long tail. Other pup winners were "Debby," owned by Mary Peter, laziest dog; "Mr. Big," whose master is Denny Prior, longest hair; "Ginger," owned by Donna Fau, longest ears; and "Dusty," under the colors of Charles Lukas, prettiest hair.

Smallest pup of the day was Diana Jackson's "Mable," while Sandra Lyn Shields accepted "Gipsey's" award for the best breed. "Mr. Big," owned by James Golden was termed the largest, and Ann Goldberg's "Buttons" had the shortest ears and tail.

(Continued on Page 2)

Pet Show:

MOVES TO NEALON

Pets will rush in where puppets fear to tread Tuesday at Nealon park, as playgrounders present an animal show, in lieu of the previously scheduled puppet show, Miss Pat Ready announced yesterday.

Prizes will be awarded for "outstanding breeds," "most unique," and "interesting characteristics." Judges for the exhibit have not yet been named.

Join Fight Against

BAYSHORE TOLL

Menlo Park's city council has joined the fight to end the slaughter on Bloody Bayshore Highway.

Noting that traffic accidents on the four-lane death strip between San Mateo and San Jose have claimed an average of one life a week during 1951 to date, the council passed a resolution calling for the early completion of the Bayshore freeway.

Further to draw official attention to the matter, petitions urging Governor Earl Warren to speed the action will be available in the office of the Menlo Park Recorder. All residents of the Menlo Park area are asked to express their concern by calling at the office, 640 Roble avenue, to sign the petition.

Building Tieup Halts Work At High School

The gap between the expected completion date and the Sept. 24 scheduled opening date of Menlo-Atherton high school continued to close this week as a building construction shutdown in San Mateo, Santa Clara and San Benito counties entered its second week.

The school was scheduled to be substantially complete by the first week of September, with only cabin-

(Continued on Page 2)

Hearing Set On Citywide Drainage Plan

Menlo Park's proposed drainage system will go ahead with or without Atherton, it was indicated Tuesday night by the city council when hearing on the project was set for September 25.

City Engineer Edwin H. Smith reported that the county board of supervisors had taken fast action to approve inclusion of a portion of county territory in a proposed assessment district for the work, but that Atherton had postponed action until a full meeting of the town council.

One Atherton property owner protested inclusion in the district at the meeting held last week.

Smith said he would rather wait for approval from Atherton before going ahead with the project. Time is short, however, he said, for the huge job of mailing notices to affected property owners, about 1000 in all. The project, he said, must be started soon if work is to begin before the winter rains.

Councilman Edward Church agreed.

'TAKE OUR CHANCES'

"I feel that we must not imperil this whole important project for lack of cooperation from one small part," he said. "I think we should go ahead and take our chances on Atherton going along."

Resolutions were then passed to launch the process of forming the assessment district, and hearing was set for 8 p.m. in the city council chambers, Sept. 25.

Anticipating a large turnout at the hearing, councilmen directed City Manager C. L. Longson to make sure the Little Theater in Burgess park would be available that night in case the crowd overflows the council chambers.

Corporate Papers Filed

New Chamber Becomes Official as Directors Plan Program

The new chamber of commerce of Menlo Park became a reality Monday, and officially began its existence as a non-profit corporation when the secretary of state filed the articles of incorporation.

Landis Weaver, attorney, reported the documents were received from Sacramento yesterday and he was to file certified copies of the articles with the county clerk in Redwood City.

Getting ready to operate as soon as the articles were filed, directors of the new chamber, named last week in results of a mail ballot, had already set their first official meeting for tonight.

TO PLAN PROGRAM

At that time they are expected to confirm choice of officers made immediately after the general meeting a week ago and to outline a definite program for organization and operation of the chamber. Also to be discussed is the question of how to get the best man or woman for the job of paid secretary.

Meanwhile, the directors had already ordered letters and statements sent to the 218 persons who had pledged membership, requesting payment of their $35 dues if possible by Aug. 15 so that funds would be available with which to hire the secretary and begin activity.

Officers to be confirmed tonight aer Michael L. Belangie, president; L. L. Johnston and Frederick B. Walker, vice- presidents, and Clarence A. Burley, treasurer.

Other directors are Thomas F. Cuff, William E. Kratt, John C. McCracken, Emma Stribling, and Landis Weaver.

HEAD NEW CHAMBER OF COMMERCE

DIRECTORS of the newly formed Chamber of Commerce of Menlo Park are, front row left to right, Frederick B. Walker, Mrs. Emma Stribling, Clarence A. Burley; upper row left to right, John C. McCracken, Michael L. Belangie, L. L. Johnston, Thomas F. Cuff, and Landis Weaver. Absent at time picture was taken following meeting where results of mail ballot were announced was William E. Kratt, other member of the board.

Before the Planning Commission

P. A. ASKS FOR PERMIT TO 'SIGN UP' M. P.

Somebody wants to construct a sign reading "Welcome to Palo Alto" in Menlo Park.

"Oh? Where?"

In Menlo Park. Facing the southbound lanes of Bayshore highway, near Laurel avenue, in fact.

"Why?"

Because, a letter from the applicant, asking a use permit to erect the sign, says that people often miss the University avenue turnoff in East Palo Alto. And complain later when they find they've missed the town.

"Oh. Did the planning commission issue the permit?"

Nope. The applicant didn't enclose the $10 filing fee. But the commission told Planning Consultant Harold F. Wise to study the matter.

"By the way, who's the applicant?"

Palo Alto chamber of commerce.

"Oh."

Among Other Things:

School District Trustees Approve Budget, Call for Bids on School Bus

The Menlo Park elementary school district board of trustees Monday night approved the district's $377,-894 budget for the 1951-52 school year, at a public hearing held at Central school.

In order that board members might judge validity of the proposed document, Superintendent Mel Homfeld presented comparisons of national, state, and county averages for schools of like size, prior to the board's levying of approval.

Menlo Park residents and teachers present at the hearing also saw the board elect to advertise for bids for a third school bus needed in the district; approve a contract with James Harper for planting of a small lawn between wings of Hillview school and direct the maintenance department to replace the ivy at Encinal school with lawn.

Homfeld reported that lease agreements with the Baptist and Presbyterian churches have been submitted to the district attorney's office for approval, following minor changes. August 13 has been set as date for hearing and presentation of the contracts.

All papers pertinent to the acquisition of Oak Knoll school site are now in the hands of Stanford university attorneys, Homfeld reported. The superintendent expressed a belief that a favorable reply will be forthcoming.

CAUCUS SESSION

Ravenswood elementary school district trustees met in a caucus session with the Menlo Park board Monday night, to discuss a petition to the San Mateo county school Superintendent James R. Tormey requesting annexation by Ravenswood of 10 acres of property in the Lindenwood subdivision and to request that the Menlo Park board refrain from opposing the petition.

The site on which the Ravenswood district proposed to build a school lies within the Menlo Park school district.

Expressing the belief that all other potential school sites have yet to be explored, the local board refused to comply, voicing the sentiment that if alterations in present school district boundaries are to be made, a thorough study of the situation should first be conducted.

The school district's budget is to be financed by the $1.50 tax rate per $100 assessed valuation of property in the district, expected to total $191,812 this year. Income will be supplemented from a $135,818 state school fund apportionments, based on average daily attendance estimated at 1500.

INCOME

Other items of income and estimated amounts include balance brought forward, $30,227; state transportation apportionments, $2,-000; additional state apportionments based on current growth, $10,000; delinquent taxes, $1050; other income, $1000; and district taxes on unsecured property, $5987.

Major item of expenditure will be an expected payment of $220,-002 for teachers' salaries. Expenditures of $16,000 for administration costs; $11,400 for salaries of instruction, not certified; $19,500 for other instruction expense; $3920 to be paid for auxiliary services; and $30,260 for operation of the school plant.

Maintenance is expected to add an expenditure of $16,000; fixed charges, $10,420; transportation of pupils, $11,325; community services, $5180; capital outlay, $9893; and unditsributed reserve, $18,694.

Capital outlay items for proposed completion of Hillview school for proposed construction of Hillview school and for proposed construction of Oak Knoll school are not included in the budget, as they are financed through state emergency school aid.

The De Young Memorial museum in San Francisco has more than sixty galleries.

Las Lomitas School Tax Rate Hike Seen as Possible

That the Las Lomitas school district may have to ask for a higher permissive tax rate before the 1952-53 school year was indicated this week with announcement by Superintendent Lawrence Fuller that current needs of the district may make drastic inroads on its present $17,-500 undistributed reserve

The district, which has adopted a $112,404 budget for the coming school year, is "in good financial shape" for 1951-52, but added facilities needed to cope with growing school population may call for a tax rate above the present $.90 per $100 assessed valuation by next year.

A census of the school district, to determine what the future enrollment is to be and where the children reside, is to be undertaken after the fifteenth of this month.

Concerning the present undistributed reserve, Fuller pointed out that although adopted as of July 1, about $2000 in recent expenses will have to be paid out of the $17,500 figure.

In addition, since the school will be in double session, the district will have to hire another custodian whose salary for the 10-month period of the 1951-52 school year will be about $2000.

If the census reveals too large an additional enrollment over that previously anticipated, Fuller said, it will be necessary to hire an additional teacher at the school. Minimum salary for a starting teacher is $3000.

The census may possibly reveal that a large number of prospective pupils reside at a distance from Las Lomitas school itself, necessitating the purchase of a bus, costing about $6000, and the hiring of an additional bus drver at $2000.

The district has one bus in operation at the present time.

If all these needs materialize, Fuller said, the undistributed reserve will be reduced to about $3000 by the end of the current school year.

Fuller pointed out that, when the school closed in June, it had an average daily attendance of about 460; more than 500 pupils are expected to enroll when school opens next month, and the proposed census may reveal more.

Pet Show . . .

(Continued from Page 1)

In the feline class, "Princess," whose owner is Sharon Richardson, was judged best marked cat. Most gentle was Lindy Lukas' "Blackie." Prettiest kitty was "Jingles," owned by John Meyers, while the laziest cat was "Snowflakes," the pet of Joan Goldberg.

The pet show, first special event to be held at Belle Haven, was termed highly successful by the mothers, who climaxed the show with a refreshment hour. Mrs. Virginia West aided the judges with serving.

Crafts and sports are offered for the youngsters at Belle Haven on Monday, Wednesday, Thursday, and Friday of each week. Crafts are taught on Monday and Wednesday, with sports being spotlighted on Wednesday and Friday. The sessions are from 1 to 5 p.m.

"But you told me it was best to rotate crops."

City Council To Brood on A 'Fowl Deal'

Menlo Park city councilmen Tuesday night considered the chicken, and decided the fowl deserves more serious study.

Mrs. Bernhard F. Jakobsen, 1325 Johnson street, raised the question by reading a statement in which she said:

"I contend it is inconsistent to exclude industry (from our residential city) and allow poultry yards in residential areas with greater noise than most industries, greater stench and greater source of flies."

Mrs. Jakobsen drew a parallel between Menlo Park and Beverly Hills.

"Beverly Hills," she said, "is less favored by nature than Menlo Park." But, she pointed out, in Beverly Hills, "poultry yards with cackling hens and crowing roosters are unknown, they have few flies and a garden can be enjoyed in peace."

Councilmen agreed that the matter of poultry raising within the city deserves serious study and indicated they would take the matter under consideration.

M-A School . . .

(Continued from Page 1)

et and other "inside" work remaining. Architect Arthur Janssen told Sequoia high school district trustees last Friday night. At the time the work stoppage was only one day old.

At the Friday night session, Janssen told the trustees that unit A of the school should have been completed Aug. 8 — yesterday — while buildings B, D and E should have been completed Aug. 13.

Buildings M, N and Q were also to have been completed Aug. 8. Buildings J and K were expected to be completed in early September and units V and T were to have been finished by Sept. 1.

Contractor Peter Sorenson did not petition the board for an extension of the time limit within which the building is to be completed.

Emphasizing the seriousness of the situation, county School Superintendent James R. Tormey was quoted yesterday as saying that, throughout the county, some schools will not be ready to accommodate fall classes unless the shutdown ends "immediately."

He pointed out that some school districts have set Sept. 4 as date for opening of fall terms.

The shutdown affects 75 per cent of construction in San Mateo and Santa Clara counties.

The "lockout" began when heating, plumbing and industrial pipefitting contractors of the three-county area refused to negotiate new contracts with union locals, claiming that union proposals were in violation of the government's wage stabilization formula.

The plumbing contractors are supported by the Central California Council of the Associated General Contractors of America, of which Sorenson's firm is a member, whose member firms closed down construction.

City Planners Act Under Interim Rules; To Study New Zoning Ordinance Aug. 27

Acting under the city's interim ordinance to control building in what was formerly North Palo Alto pending adoption of a new zoning ordinance, the Menlo Park planning commission Monday night recommended approval of plans for a service station at Middlefield and Willow roads.

The action was taken after city Planning Consultant Haorld Wise explained that, under terms of the interim ordinance, the planning commission cannot make final recommendations on construction in the area, but must make recommendations to the city council.

On a proposal by the planning consultant, the commission also recommended that all commercial property in the area be zoned for a "fire zone 2" classification, which, Wise said, places the same restrictions on buildings which extend to the property line as "fire zone one" restrictions.

APPLICANT NAMED

Applicant for permission to construct the station on the northeast corner of the intersection is the Standard oil company of California, represented at the meeting by R. J. McGahie.

McGahie told members of the board that his firm had contacted owners of most if not all of the properties adjacent to the proposed station, including owners of properties in the Linfield Oaks tract across Middlefield road, and had met with no disapproval.

The board approved the recommendation for the use permit, subject to the oil company's meeting certain recommendations detailed by the planning consultant.

Meanwhile, Wise told the commission, the first draft of a new zoning ordinance for the city had been completed, except for specific boundaries.

The Aug. 27 informal meeting of the board was set as time for study of the document.

The commission agreed to drop from its agenda a proposed application for a use permit to relocate two outdoor advertising signs facing the 700 block of El Camino Real.

No fee had been received from Foster and Kleiser, the original applicants, and no one representing the firm attended the Monday night meeting.

The commission set Sept. 10 as date for hearing on whether or not the city's "R-3" zoning classification could be changed to allow W. R. Sherwood, operator of a camellia and begonia-growing establishment at 751 Roble avenue, to expand hothouses on the property.

At present, the operation is a nonconforming use.

The commission also approved resubdivision of a lot facing University drive near Florence lane, and referred to Wise for study requests for resubdivision of a portion of a lot at the extreme east end of Santa Margarita avenue and for a use permit to establish a glazier's warehouse and salesroom at Market place and Alpine avenue, Belle Haven.

COUNCIL GIVES APPROVAL TO NEW SERVICE STATION

Acting on the recommendation of the city planning commission, the city council Tuesday night, approved issuance of a permit for construction of a gasoline service station at the corner of Middlefield and Willow roads.

The permit was granted to the Standard oil company of California, applicant, under the city's interim zoning ordinance for the North Palo Alto area. Approval was made subject to architectural and landscaping control by the planning commission.

City's Valuation Exceeds $10,000,000

That Menlo Park will continue to have an assessed valuation of more than $10,000,000 was indicated this week with the Califonria state board of equalization voting to continue present assessments against utilities.

City Manager C. L. Longson said that had a proposal made two weeks ago calling for a reduction of tax rates to be paid by utilities been passed, the city's valuation would have fallen slightly, resulting in added burdens on the tax structure.

The county assessment roles will continue to be used, with utilities assessed at 50 per cent of their market value.

Would you like to have your situation so analyzed that you could make a decision?

Alfred Cleland, Captain Raymond Pachaud, Lieutenant James Ackerman, Captain Charles Dompe, Lieutenant Robert Whitney, Captain Lauren Grider, Lieutenant Earl Rhodehouse, Lieutenant John Duff, Lieutenant Louis Bellomi, Assistant Chief Edwin Wickstrom, and Deputy Chief George B. Carter. Front row (left to right) are Walter Nicholas, Captain Jack Glunz, and Vincent Del Pozzo. —Recorder photo.

Number of Fires Drops Sharply In MP District

The number of calls answered by Menlo Park fire district firemen dropped sharply last week, with the firemen responding to nine alarms during the seven days ended Aug. 6 as compared to 18 calls during the week ended July 30.

None of the calls were to fires which resulted in serious damage.

The calls were:

July 31—Firemen put out a grass fire at Creek and University drives, cause of which was unknown.

Aug. 2—They put out a fire in the bed of San Francisquito creek, opposite 918 Creek drive, cause of which was unknown; attended to a rubbish fire, cause of which was also unknown, at 1284 Carlton avenue and put out a grass fire at 1475 Woodland avenue, caused by careless and unpermitted burning.

Aug. 3—They answered a "lockout" call to a Greenoaks drive, Atherton home and put out a grass fire at Fifth avenue and Edison, North Fair Oaks.

Aug. 4—The firemen rescued a cat from a tree at 8 Cathy place.

Aug. 5—They put out a rubbish fire, caused by careless and unpermitted burning at 172 Elena avenue, Atherton, and answered an emergency call to 1064 Creek drive.

Las Lomitas Board Weighs Bond Issue

Las Lomitas school district trustees last week tentatively set Oct. 5 as date for a $112,000 bond issue election which, if passed, will bring the district to its legal limit of bonded indebtedness and make it eligible for state emergency school aid funds.

Board President A. L. Makie observed that, funds from such a bond issue could be used to finance construction of a three-classroom unit at Las Lomitas, and that the sum might also cover the cost of a cottage-type kindergarten building.

With the district bonded to its legal limit, it will be eligible for approximately $650,000 in state emergency school aid funds, most of which are already earmarked for a school to serve the Ladera tract.

Peter Kump, the district's architect for the proposed school, was authorized to proceed with site development and other preliminary plans for the proposed school.

Kump was authorized to send a letter to the state division of school house planning, asking approval of the Ladera site and the preliminary drawings of the instructional buildings.

LAS LOMITAS

Las Lomitas school's opening date, formerly set earlier in Sept. was changed last week to Sept. 24 to conform with that of the Menlo-Atherton high school.

As Result of Protests

Changes Urged in City's Proposal For New Parking Plaza, Alleys

Modification of Menlo Park's proposed parking plaza and alley project was recommended by City Engineer Edwin H. Smith Tuesday night to the city council.

Following protests made at the July 24 hearing on the plan, Smith said he conferred with David Ingram Jr., appraiser, and checked in the field and felt that two changes in the plan would satisfy most objectors.

Major alteration would be to eliminate the comparatively small parking area at the University drive end of the alley running behind the commercial strip on the southerly side of Santa Cruz avenue.

Abandoning this parking area and simply running the 20-foot alley straight through would, Smith said, substantially reduce assessments against the Santa Cruz avenue property owners between Evelyn street and University drive, 60 per cent of whom had protested.

SHIFT ALLEY

Other modifications would involve shifting slightly the location of the proposed H-shaped alley in the block between Santa Cruz and Oak Grove avenues and Chestnut and Crane streets A few feet here would allow the alley to clear certain existing structures which would otherwise have to be moved or cut off, Smith said.

Public hearing on the entire project will be reopened at meeting of the council next Tuesday night.

Las Lomitas School District Budget Voted

Las Lomitas school district trustees last week voted a budget of $112,404 for the district for the coming school year.

The budget includes $94,404 for operating expenses, district Superintendent Lawrence Fuller explained, allowing a $17,000 operating reserve and a $1000 cash balance at the end of the year.

Fuller described the $17,000 reserve as "definitely committed" for operation of the district during the 1951-52 year.

As We See It . . .

BLOODY BAYSHORE

Tuesday night the Menlo Park city council passed a resolution urging speedy completion of the Bayshore freeway from San Mateo to San Jose.

Our councilmen cannot claim to be taking the lead in this cause. A storm of protest has been growing throughout the Peninsula over the terrible toll of life being taken on this four-lane death strip.

But our council's action is one more move in the right direction.

No need to cite a volume of facts and figures for residents of this area. We have all traveled that blood-stained pavement—many of us do it every day—at risk of our lives.

One fact alone is sufficient to spur us to action: During 1951, Bayshore has taken an average of one life a week.

That is a tremendous price to pay for maintaining so important an artery of travel in such inadequate condition.

Let's get something done to put a stop to the massacre! To help in this effort, the Menlo Park Recorder now has available for signing a petition to Governor Earl Warren requesting immediate action on completion of the freeway.

Next time you are nearby, stop in at the Recorder office, 640 Roble avenue, and add your name to the list.

It may keep your name off the death list.

LOCAL PROBLEMS

Bayshore highway is an area-wide hazard affecting every resident of the Peninsula.

Some local traffic hazards are also developing and deserve attention.

Middle avenue daily carries more and more traffic. A large market is planned for the corner of Middle and El Camino Real. One day soon we will urgently need a traffic light at that corner.

Judging by the time it took the state to install traffic lights at Valparaiso and Oak Grove avenues, it is none too early to start talking to them about the Middle avenue intersection.

Another problem, the solution of which is more complex, is that of the Ravenswood avenue railroad crossing. Already the passing of a train can back up automobiles from the crossing to El Camino Real.

When Ravenswood becomes the main artery funneling traffic between Menlo Park's central shopping district and the growing Linfield Oaks tract, the problem will be even more acute.

Cutting Willow road through to El Camino under the Southern Pacific tracks—a project that seems shelved at the moment—might help to ease the situation. It would not solve it.

The only long-term solution is to eliminate grade crossings of the railroad tracks. This must be done either by depressing or elevating the level of the tracks.

Sounds impossible? It has been done in similar situations near other cities like San Francisco. It must eventually be done here.

It's not too early to start working at it.

A JUST COMPLIMENT

Too often praise is left unsaid and criticism is shouted from the housetops.

At Tuesday night's meeting of the city council, Menlo Park's police department received one of those rare pats on the back.

Councilman George Ford praised Police Chief George Potter and his men for the efficient job they have been doing this summer checking the homes of vacationing Menlo Park residents. Other councilmen echoed his applause.

The homeowner who is away does not see our policemen on the job. But we can all enjoy our vacations more, knowing they are keeping an eye on our property.

Unobstrusive law enforcement doesn't make headlines. But it makes for a safe city.

Councilman Ford's compliment is one our police richly deserve.

Your City's Business

Will M-A School Be Crowded?

By MAYOR CHAS. P. BURGESS

A goodly group of Menlo Park parents turned out to last Friday's meeting of the Sequoia high school board to hear the "pros" and "cons" of whether or not the Menlo-Atherton high school would be overcrowded when it opens in September.

Since I raised the question before my term on the board expired on July 1, I attended the meeting to present the figures that indicated to me this would be so.

These were taken from a comprehensive report on the building program from the superintendent to the board members dated March 7 of this year.

This report computed theoretical capacity of Menlo-Atherton at 990, but stated that it was desirable that there be a surplus of 20% between the actual enrollment and the theoretical capacity. Thus the desirable enrollment on this basis would be 825.

The estimated actual enrollment of 1019 is 23½ per cent in excess of the desirable figure and 3 per cent in excess of theoretical capacity.

Sequoia, on the other hand, is considered to have a desirable capacity of 2000 (although this appears a gross understatement to me, in view of enrollment in the 1940's and additional construction since).

The estimated Sequoia enrollment for the coming year is 2327, or 16 per cent over the 2000 figure.

Thus, although Menlo-Atherton has no gymnasium or auditorium as a "safety valve," these figures indicate it will be more crowded than Sequoia this year.

This situation in itself is not serious, but it takes no cognizance of the following year when the San Carlos-Belmont plant is scheduled to open.

Removal of 800 students from Sequoia then will put that plant far below its 2000 figure, without diminishing the growing enrollment at Menlo-Atherton.

To better balance the capacities of the two schools this year, and provide a better utilization of Sequoia's next year, the reasonable solution is to move the attendance line further south, elminating about 100 of the 274 students now scheduled to come here from the Redwood City school district area.

The Sequoia administration apparently changed its estimates of the Menlo-Atherton capacity after the March bulletin, for one figure of capacity of 1050 was given at the meeting, while another of 1225 was used by the chairman of the Sequoia Citizen's Advisory committee on finance.

I pointed out that if the latter figure was the case, the urgency of the building program was overestimated, but expressed my own opinion that it was more likely that the school was crowded.

In defense of the line as it stands, board members and the superintendent pointed out that the Menlo-Atherton school had more capacity than was generally supposed and that San Carlos-Belmont may not be ready for occupancy for September, 1952, although now under construction, while an additional classroom wing at Menlo-Atherton would, although the plans are still in Sacramento.

(The reason is that the classroom wing is a comparatively simple building to oenstruct. However, I am skeptical that this schedule can be met.)

It was stated that a reduction in size of the school might endanger the breadth of the curriculum, and that schedules had been worked out now that took care of all of the enrollment, and there would be no crowding if transfers from other high schools did not come in during the year.

It is now difficult to reconcile the various figures that have been given, and we must wait until September to see what conditions actually exist.

It is my opinion, however, that the attendance line in the next year or two will have to be moved south from Second avenue in Redwood City where it now stands.

David Gialdino and His Bride Take Wedding Trip to Arizona

Mr. and Mrs. David Gialdino, who were married recently at formal ceremonies at the Church of the Nativity in Menlo Park, will make their home at 130 Almanor drive when they return from a wedding trip to Arizona.

Mrs. Gialdino, the former Barbara Olson of San Francisco, is the daughter of Mr. and Mrs. Harold J. Olson of that city. She is a sophomore at San Mateo junior college.

Late afternoon rites united the couple here July 29.

The bride wore a gown of white organdy, complemented by a fingertip veil. She carried a prayer book marked with white orchids and stephanotis.

Sole attendant was Lee Marie Orr of San Francisco, whose costume was of pink lace and net. A bouquet of pink carnations completed the ensemble.

Armond Canepa of San Francisco served the benedict as best man. Ushers were Whitfield Bellici and Robert Hughes, both of San Francisco.

Harold Olson gave his daughter's hand in marriage, with the Rev. Thomas McKeon officiating at the double ring rites.

Mother-Daughter Tea Is Planned By PA Panhellenic

Prospective college freshmen and their mothers will be welcomed to the home of Mrs. Samuel D. Thurman, 63 Linden avenue, Lindenwood, Saturday for a pre-college Panhellenic tea. Guests will be received from 3 to 5 p.m.

Purpose of the affair, which is being sponsored by the Palo Alto city Panhellenic council, will be to provide a symposium on college life and traditions, and with emphasis on sorority rushing rules, and other helpful hints to freshmen.

Alumnae of Colorado, Willamette, University of Oregon, Oregon State, Washington State, University of California at Berkeley, San Jose State, Santa Barbara State, University of California at Los Angeles, and others will be on hand to show year books, literature, and displays depicting campus life.

Mrs. George S. Moore, president of the panhellenic group in Palo Alto and general chairman for the affair, has extended a general invitation to mothers and daughters throughout the area, if the girls plan to enter college this fall.

Reservations may be made by calling Mrs. Donald B. Maclean, DA 2-0617. Members of the committee who are planning the tea include Mrs. Moore, Mrs. Robert H. Windeler, Mrs. Arthur D. Janssen Jr., Mrs. Roger W. Goldsmith, and Mrs. Adrien E. Anderson.

Mrs. Terrell D. Shores is chairman of the hostess committee.

PURSE-DARKNELL ENGAGEMENT TOLD

A Sunday night dinner party at the Los Altos home of Mrs. Elizabeth Purse was medium chosen by Mrs. Purse's daughter, Marjorie, to announce her engagement to Everett Darknell of Menlo Park.

The oldest son of Mr. and Mrs. Clifford Darknell of 1205 North Lemon avenue, the future benedict is a graduate of local grammar schools and Sequoia high school. A member of the United States Navy for 21 months, he is now employed in Los Altos.

No date has been set for the wedding.

Little House Notes

Second Party Night Set

Because the four walls of the Little House have been stretched to the "breaking point" on Friday evenings, the executive council has scheduled a second party night.

Little House will be open on both Thursday and Friday evenings each week for bridge, canasta and other card games. Members and others interested are asked to select either Thursday or Friday in order that there may be room for all who wish to participate.

* * * *

The monthly business meeting will be held Friday, Aug. 10 at 7 p.m.

Plans for the annual Little House Bazaar, scheduled for the last week of November will be outlined by Mrs. Vita Morgan, bazaar chairman.

The dates have been set tentatively for Nov. 28, 29 and 30.

* * * *

"An Experiment in International Understanding" will be described to Little House members and their friends at their weekly program Thursday, Aug. 9 at 2 p.m. Speaker

(Continued on Page 6)

Saturday Night Hops Head Social Slate At Service Center

By JEANNE THOMAS

Saturday nights won't be lonely nights for Peninsula servicemen, if the more than 90 junior hostesses at the American Women Volunteer Service canteen in Menlo Park have anything to say about it. . . .and they do.

For the young women have planned a long list of weekly dances and parties for the boys in blue and khaki, Mrs. Mary K. Stern, chairman of the center, announced this week.

Following a recent meeting of the junior hostess group, Barbara Bolton, junior hostess chairman, announced that a rotation plan has been evolved whereby different members of the unit will handle dance arrangements each week.

Saturday night's hop at the center will be under the direction of Joanne Hardy, Beverly Holman, and Priscilla Simms.

Aug. 18, Pat Dingman will take the reigns to promote party plans, and on Aug. 25, the Palo Alto unit of AWVS will sponsor the center's weekly funfest. The Moffett field navy band will provide musical background for the evening.

The army band from Camp Stoneman will take over on Sept. 1 for a formal dance, under the direction of Nancy Kelley and Joelle Staples.

GIFT SHOP

The center, which is situated at 570 Santa Cruz avenue, is being financed by private contributions and by funds garnered through sales at the AWVS Thrift shop, next door to the canteen. Mrs. Lealand Rosener, Sr. is manager of the gift shop.

All proceeds from the shop go to provide entertainment for the 3000, 17 to 21-year-olds from Moffett field and other area military installations.

DANCE JAMBOREE

A regional square dance jamboree has been scheduled to be held at Burgess park gym Aug. 18. A total of 12 area "callers" are scheduled to be present at the affair, which is to begin at 8 p.m.

'PRETTY AS A PICTURE'

MR. AND MRS. MICHAEL BUTERA of Menlo Park make a pretty picture as they pose stiff and starched for their "tintype." Significantly, the song "Pretty as a Picture" will be the opening number introducing the flashbacks of days gone by in the variety floorshow "Tintypes", to be presented by Saint Anthony's club Sept. 5, 6, 7, and 8 at the Mission hall on Fifth avenue, off Middlefield road. Rehearsals for this year's "button and bow" show are now underway, with the Buteras included in the large cast of song and dance talent.

HAWAIIAN INTERLUDE ENDS

ISLAND GARB AND WAIKIKI TANS adorned Miss Terry McLean (left) of Atherton and Miss Joyce Fagg of Menlo Park this week as they returned to the mainland from Hawaii aboard the Lurline, which docked Saturday in San Francisco. The pair spent six weeks in the Islands with a group of young college women, coupling a vacation in the sun with summer session courses at the University of Hawaii. Terry is the daughter of Dr. and Mrs. A. D. McLean of 71 Atherton avenue. Joyce is the daughter of Mr. and Mrs. Charles E. Fagg, 645 Hobart street.

Style Parade Set

Atherton Garden To Be Scene Of Stanford Club Affair

"Mille Fleurs," the Atherton home of Mr. and Mrs. John S. Wickett, will be the setting Aug. 22 for a benefit dessert-fashion show-bridge party, sponsored by the Stanford club of Palo Alto.

The fashion show will preview fall styles, which will be modelled by members of the club. Howard Frederic and his string quartet are to provide background music for the presentation.

General chairman for the affair is Mrs. Harold Connable, who will be assisted by Mrs. John Twelvetrees, arrangements; Mrs. Chester Eschen Jr., floral decorations; Mrs. Charles Steinmetz, hospitality; Mrs. Carl Hansen, parking; Mrs. James E. Mack, publicity; and Miss Mary Phares, reservations. The hostess, Mrs. Wickett, is in charge of catering for the event.

The alumni club has established, and for the past two years has maintained, the Dean's emergency loan fund for students. It has also contributed to the Secretary's scholarship fund, a fund to supplement scholarship money. Proceeds from the coming party will be used to augment these two projects.

Reservations for the afternoon may be made through Miss Mary Phares, DA 3-3619, or through Mrs. Harold Connable, DA 3-4482. Tables for four may be reserved for $10, while individual tickets are priced at $2.50.

Edward Nells Fete Bride and Groom

The Edward J. Nell home in Atherton Saturday was the setting for a wedding reception following the marriage of the Nells' son, Phil, to Shirley Galvin of Redwood City. Receiving with the Nells were Shirley's parents Mr. and Mrs. Jack T. Galvin.

The bride's table was decorated with a wreath of gardenias encircling a large wedding cake. Gladioli and white stock decorated the fireplace.

The bride's mother was attired in blue lace with navy accessories and a corsage of red carnations, while Mrs. Nell chose a blue knit dress accented with brown accessories. Her flowers were small yellow-brown orchids.

Wedding ceremonies preceding the reception were held at Our Lady of Mount Carmel church. The Rev. Father John Cavanaugh officiated. The bridegroom is a graduate of Sequoia high school and San Jose State college. His only brother is Ted Nell.

The bride is a graduate of Sequoia high school and the University of California, where she was affiliated with Sigma Kappa sorority.

St. Joseph's Party To Have Games, Dance

Cable cars and dolls, flowers and ponies, will be featured Sept. 30 as the Mothers' and Fathers' clubs of St. Joseph's school present their fourth annual playday at the school.

With the theme "1906—year of the school's founding," the events will begin at noon, with attractions for young and old. Parents of members of each school grade will have charge of a special project for the fiesta, with an evening barbecue slated to climax the affair.

A "Children's Gay Way," boasting "Cable Car Joey;" a bargain counter and a plants, flowers, and garden supplies booth, will combine with a western booth, "break china" booth, country store, movies, pony rides, and an auction to provide a day of fun for the pupils, parents and friends.

Spotlight will be cast on a booth of 250 dolls, many of which will be garbed in 1906 fashions, especially hand-made for the affair.

Games, dancing, and entertainment will be carried throughout the evening.

Mrs. John McDaniels, president of the St. Joseph's mother's club, and John Tuttle, president of the men's group, have appointed Mrs. Donald Stevick and Manuel J. Felciano as chairmen of the benefit celebration. Proceeds of the annual playday will go to the school's fund.

More About:

'TEEN-AGE TALK

(Continued from Page 5)

muffins were **Sonja Norberg, Jo Stewert, Kay Bowen** and **Barbara Mills.**

The girls stayed on to catch up on the summer's gossip until time for Donna to catch a plane for Los Angeles.

* * * *

Among mid-summer parties was the one held by **Rick Davidson** at his home in Atherton, where his guests danced and watched T. V. The couples included **Rick** and **Susan Fogle, Jim Morely** and **Sandy Nelson, Bill Mills** and **Jean Peasley, Dan Varty** and **Sue Shaffer, Bill De Lue** and **Carol Clark, Rick Searles** and **Diana Forest, Ed Reynolds** and **Kay Wanamaker** and **Sherman McClellen** and **Bonnie Wilson.**

• • • •

Back from a month at Woodhaven Girl Scout camp in Woodside is **Carol Hampton.**

• • • •

This week we look to **Dennis Anderson** as our bet to be outstanding at M-A this fall. Woody, as he is known to his friends, distinguished himself during his freshman year at Sequoia with his accurate and colorful sports reporting for the Sequcia Times.

At Sequoia, he won a football block for his work as statistician for both the varsity and frosh-soph football teams, as well as for basketball and baseball squads.

This summer, Woody has managed one of the junior softball league teams, taking time from a tight schedule to see that the kids got practice in playing and sportsmanship. He also acts as Manager-player for the Menlo Furnace company team in the hardball league. This is in addition to his job as statistician for the Menlo Park receration department, which entails keeping statistics for all the games played in the baseball league, quite a task in itself.

Although he will be only a sophomore, we think Dennis Anderson will take a leading role in the publications field at Menlo-Atherton next year.

• • • •

That's about all for this week.

'NIGHT IN THE CARIBBEAN' IS SET

CARIBBEAN CAPERS will be cut at Burgess park next month, as the Menlo Park Lions club presents its annual "Girl's Night" party. Shown above are members of the planning committee for the affair (back row: left to right) Louis Anderson, Chris Connor, Ray Fickes, Everett Fallis, Larry Johnston, and Tom Cuff. Front row (left to right) are George Rodriguez, John Huss, Walt Stewart, Dan Atell, Al Giannotti, and Bob Cain.

Lions Club Sets Theme for 'Girls' Night'

"A Night on the Caribbean" will be the theme of this year's "Girls' Night," annual event sponsored by the Menlo Park Lion's club.

Slated for Sept. 7 at Burgess park, plans for the gala evening are now underway under direction of co-chairmen Dave Bergesen and Al Giannotti.

A kickoff dinner will open the festivities, as Lion members and their friends, accompanied by a 'teen-age, or younger daughter, meet at the Burgess gymnasium. Feminine guests at the banquet will be presented with corsages.

Headed by top-flight entertainers, an aquacade and fashion show will follow at Burgess pool.

In addition to dinner guests, wives of Lions and their invited guests, will attend. The Caribbean motif will be carried out with settings and lighting of the pool. Facilities have been made available through the Menlo Park city council.

This is the sixth year for the affair, and, according to the co-chairmen, "it promises to eclipse any previous function of its kind."

Philathea Circle Sets Box Social

Philathea group of the Westminster association of the Menlo Park Presbyterian church will hold a box social Saturday night at 6 p.m. in the gardens of the G. A. Donahue home, 444 University drive.

Members of the circle and their husbands are invited to attend.

Camping Trip Set By VFW Post Here

A camping trip to Big Basin this weekend has been added to social agenda of the Menlo Park post 7145, Veterans of Foreign Wars and their women's auxiliary. The caravan will begin leaving tomorrow, with several couples scheduled to arrive Sunday, Mrs. George Lange, VFW auxiliary publicity chairman, announced.

Campfire gatherings, cook-outs, and outdoor living will steal the weekend show, with a full-scale picnic party slated for Sunday afternoon. All post and auxiliary members are invited to join in the fun, Mrs. Lange said.

Aug. 15 has been set as social meeting night, with a pot luck supper scheduled to be held at the civic center site preceding the session.

The home of Mrs. Brady Olesen, 422 Concord drive, Menlo Park, will be the scene Aug. 17 for the first meeting of the newly-organized VFW auxiliary sewing club.

Symphony Plays At Stanford Sunday

STANFORD—The Standard Hour, longtime favorite among broadcast symphonies, will originate from Stanford University Sunday at its regular 8:30 p.m. air time over KNBC.

Arthur Fiedler, widely known conductor of the Boston "Pops" Orchestra in a typical Fiedler program.

It will include the Overture from "Poet and Peasant" by Suppe, Debussey's "Clair de Lune," "Mozart Matriculates" by Templeton, and Anderson's "Fiddle Faddle."

Gerson Yessin, brilliant young pianist, will appear as soloist. He will play Litolff's "Scherzo" and the Second and Third Movements from Tchaikovsky's "Piano Concerto No. 1."

Little House . . .

(Continued from Page 5)

for the afternoon is Proctor Jones, executive director of Experiment in International Living, who will illustrate his talk by movies showing the work of his organization. Men and women over fifty are invited to attend the program and to stay for tea which is served following the program.

* * * *

Tuesday and Friday afternoons will be devoted to bazaar work. On Tuesday afternoon, craft articles will be made and Friday afternoon will be devoted to sewing, knitting and other hand work.

All Little House members and others interested in assisting with the bazaar are invited to come on these days to help with the work and to suggest articles for production.

• • • •

The painting class will continue to meet on Tuesday afternoon at 1 p.m. and the potluck luncheon will be held Wednesday at 12 noon.

For further information regarding Little House, telephone DA 3-1787.

Prof Leaves For Confab

STANFORD—Dr. Colin O. Hutton, Stanford professor of mineral sciences, left Saturday for Bluemont, Viriginia, where he has been invited to confer with officials of the special minerals section of the U. S. bureau of mines.

Professor Hutton, who has been working with the Atomic Energy Commission in exploring the occurrence of rare minerals in placer deposits, will aid the bureau in its studies of uranium-bearing sands.

Republican Women Honor Guests Here

Tea at the home of Mrs. C. V. Taylor, 1216 San Mateo drive, followed the board meeting Monday night of the South San Mateo County Council of Republican Women. Miss La Dean Sage of Atherton and Mrs. George Hulstede of Belmont were honored guests.

Miss Sage, a recipient of a CRW scholarship to the University of California, is a June graduate of San Francisco State Teachers college. Next Wednesday she will begin her teaching career at the Washington State school for the Blind, in Vancouver, where she will replace a seeing teacher.

Mrs. Hulstede, public relations chairman for the Northern division California Council of Republican Women, has just returned from New York, where she enjoyed the hospitality of the New York metropolitan club of Republican Women.

In the PBLBL:

Nativity Youth Loses, 11-1, to Sport Shop Nine; Flood Park Scene of Finals

The Nativity Youth hardball team was eliminated from Peninsula Big-Little Baseball league playoffs Sunday, when they were downed by Stanford Sport shop of Palo Alto, 11-1.

Gil Duncan, Sport shop pitcher, ran his win streak to seven as he threw a two-hit ball to squelch the locals. He was never in trouble throughout the game, although Nativity managed to get two on.

Nativity Pitcher Jim Fernandez matched Duncan pitch for pitch in the first four innings, after which Sport shoppers began to get the range.

Bob Mize was heavy clouter for the winners, getting two for three times at bat, including one triple with bases loaded. Duncan proved his worth on the plateward side of the diamond by beating out two singles and a double in four trips to bat.

Other winning hitters were Ron Brown, who got a triple in three times at bat, and Lee Mittman who batted a solitary single in two trips to the plate.

STRIKEOUTS

The winning pitcher struck out 10, walked two and allowed two hits.

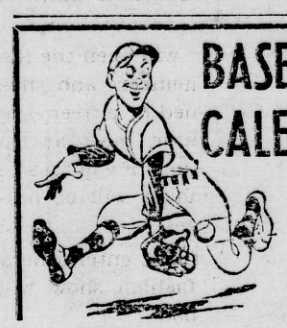
Fernandez struck out 11 and walked three, but was tagged for 10 hits.

Nativity's single tally was scored in the sixth, when Fernandez got on base on an error as Bill Swan, already on, stole third and later stole home on an infield error.

The Sport shoppers more than made up for the run, however, by scoring six of their own in their half of the inning.

League semifinals this weekend will see Werders from Redwood City and the Brisbane AC tangle at Flood park at 1 p.m., with the Sport shop team meeting St. Aloysius on the same field at 3:30 p.m.

Winners of these games will start a "best out of three" series Aug. 19; the winner of the series to represent the southern division of the league in play against northern division champs.



BASEBALL CALENDAR

GAMES AT NEALON PARK

AUGUST 9

7:30 p.m.—H. B. & K. vs. Menlo Motors.

9 p.m.—Menlo Firemen vs. Madsen Plumbing. (MP Rec. League)

AUGUST 10

7:30 p.m.—Pescadero Merchants vs. Lomita Park Nursery.

9 p.m.—Heinecke's Shell vs. North Fair Oaks Merchants. (San Mateo County Class B Tournament.)

AUGUST 11

7:30 p.m.—Chrysler-Plymouth vs. Blimp's Hot Dogs.

9 p.m.—Burlingame Eagles vs. Muff's Club. (San Mateo County Class B Tournament).

AUGUST 14

7:30 p.m.—Dalmo Victor vs. Heinecke's Shell.

9 p.m.—Bishop Insulation vs. J & A Sales.

AUGUST 15

7:30 p.m.—Menlo Motors vs. Madsen Plumbing.

9 p.m.—H. B. & K. Realty vs. Heinecke's Shell.

AUGUST 12

Nights of Columbus of S. M. vs. Pen. Council of Lions Clubs of Burlingame.

I. O. O. F. of S. M. vs. National Motor Bearing of R. C.

(Times not given)

Furnacemen Seek Fourth Win

The Menlo Furnace company independent 'teen-age hardball team was seeking win number four this morning when they played the Palo Alto Ramblers at Jordan junior high school at 10.

The Furnacemen will be looking for victory number five and possibly number six Saturday when they play the Little Lions at Flood park at 10:30 a.m. and the Palo Alto Pelicans at 2 p.m. The Pelican game is tentatively scheduled because of lack of a field to play it on.

Steve West carved himself a two hitter last Saturday as the locals dumped the Ramblers 14-6. West had a bit of control trouble in the first inning, walking the first five men to face him, but settled down to strike out seven and walk only two others after that.

Bill Douglas was the big stick man as he got two for two. Brad Steiger and Dennis Anderson followed with two for three. Steiger, Anderson, and Mario Generelli all doubled while West pounded a triple in three times at bat.

COUNTY TAXES

Each penny of county-wide property tax rate levied by San Mateo county on 1950-51 valuations meant a levy of $23,186, based on 1950-51 valuations of $231,855,817, California Taxpayers' association has announced.

A & L, Sport Shop Tangle Friday At Central School

By DENNIS ANDERSON

M-A JUNIOR LEAGUE

	W	L	Pct.
Abrott and Leigh	7	2	.778
S & B Sport shop	5	4	.556
Magnusen & Florence	3	6	.333
Menlo Square Mkt.	3	6	.333

Abrott and Leigh paints will defend their first place position tomorrow morning when they host Shreve and Burgess Sport shop at Central school. Gametime is slated for 10:30 a.m.

A Sport shop victory would not oust Manager Brad Steiger's nine from the top spot, but it would draw the championship race much closer. The two teams would then be separated by one game and 100 percentage points, each with two contests left to play.

The Paintmen boasted their lead Tuesday, defeating Magnuson and Florence real estate, 17-7. Bill Mill's Sport shop squad stayed close, however, taking a 9-0 forfeit victory from Menlo Square market.

Loki Boeck got his third starting assignment of the season from Realty Manager Woody Anderson and pitched very creditable ball. The losers were charged with 16 errors, however (the league record is 21), and let many easy outs go for base hits.

Peter Lee handled the pitching chores for Abrott and Leigh, issuing eight hits, none of them solid, and gave up four walks. He fanned nine and balked once.

Top stick man for the winners was thirdbaseman Kenny Lee, who clouted three for four and scored twice. David Dodge paced Magnuson and Florence with two hits in three attempts.

Advanced Swim Class Members Work To Perfect Stroke, Stamina

"Perfection of stroke and stamina in the water" are goals of the 10 Menlo Park boys and girls who have enrolled in the Burgess park advanced swimming class, according to Don Baruch, a June graduate of Stanford university who is serving as coach for the group.

Class meets Monday and Thursday mornings from 11 a.m. to 11:30 a.m. for half-an-hour of rigorous training. Preliminary to the Red Cross examination they will be given at the termination of the 16-session series of lessons and work-outs, the young swimmers must conquer an impressive list of strokes.

A warm-up during each class meeting calls for swimming 10 widths free style, and four widths each of breast, side, and back stroke.

At the present time the crew is perfecting the five minute float and five minute swim, to be followed by the 50 yard elementary backstroke, 100 yard breast stroke, 50 yard inverted breast stroke, 100 yard side stroke, and the 100 yard overarm side stroke.

Before test day the 10 young hearties will have also perfected the 100 yard trudgen, 100 yard crawl, 100 yard back trudgen or crawl, five minutes of floating, and support, and be able to perform 30 minutes of swimming without coming to the side.

Diving is also on the agenda. Prerequisites for the exam include a surface dive and 10 yard underwater swim, standing front dive, and running front dive.

Having passed their advanced swimmers course, the students will be eligible for the lifesaving class, Baruch said.

Class B Games Set for Nealon

Nealon park will be the scene of a San Mateo County Class B softball tournament this weekend and next weekend.

A total of 16 teams from Menlo Park, Pescadero, Redwood City, San Mateo, Burlingame, San Bruno, and South San Francisco are entered in the tourney.

The schedule calls for twi-night doubleheaders Aug. 10, 11 and 17, three games on Aug. 18, four consecutive contests Aug. 12, and one day and one twi-light game Aug. 19.

The schedule for this weekend may be found in the "Baseball Calendar."

MP Man Arrested On Driving Charge

Donald B. Sevier, 54, who gave his address as 236 Hedge road, was to appear in Menlo Park police court last night to face charges of drunken driving, lodged with his arrest at 10:30 p.m. Aug. 3. Police made the arrest after stopping the suspect, who had been driving west on Ravenswood avenue.

He was released from San Mateo county jail on $150 bail following his arrest.

Menlo Motors' Menlo Park recreation department softball league lead was shaved to one-half game last week and may be lost entirely as the result of this week's play.

PLAY TONIGHT

The Motormen will take on runnerup Hare, Brewer, and Kelley real estate tonight at 7:30 p.m. at Nealon park. Bith teams won their games Tuesday night, the Motormen dumping the Menlo Park fire district Firemen while H. B. & K. subdued last place Dalmo Victor.

In the opener, the Motormen won 11-4 and in the late game, HBK won 20-5.

Winning pitcher in the first game was Phil Costello, who issued four hits; Gary Herman manned the mound in the final slugfest.

Although batting averages were still unusually high, the ring of "above .400 hitters" was narrowed last week and shows signs of getting smaller this week and next week.

At present, the top seven hitters are as follows:

Frank Vallejo, J & A Sales, .542; Vince Del Pozzo, Firemen, .533; Byron Pearch, Menlo Motors, .533; Bill Gibbs, J & A, .522; Buddy Traina, Firemen, .500; Boyce Glassey, Firemen, .481; Clarence Courter, Firemen, .458.

HOME RUNS

Del Pozzo, Glassey, and Courter are tied for the home run lead with three each.

Gibbs, Frank Vitale of the Firemen, and Pete Ciardella of J & A lead the triples department with three each.

Traina, Dave Isbell, and Del Pozzo all have a trio of doubles to lead in that category.

'Bullet' Bill Taylor of Menlo Motors heads the league in strikeouts, having whiffed 59 batters. Manny Corniel of Bishop's is second with 34.

Artists Urged To Submit Works For Display

South county residents—both professionals and amateurs, were this week urged to submit entries to be displayed at the La Honda Art Group's gallery opening and reception, to be held Sept. 10 in La Honda.

Calling for work by the area's craftmen in fine, decorative and graphic arts Albert S. Bliss, director of the gallery, said this week that the facility is designed to become the first public art gallery in San Mateo county. The sponsoring group is a non-profit organization.

Menlo Park area sculptures, painters and other workers in the fine arts may submit works for the opening display at the Little House, 630 Menlo avenue. Photographers, who wish to have some of their prints on display may submit them at the Menlo Camera shop, 778 Santa Cruz avenue.

The opening and reception, which is scheduled to be attended by San Mateo county officials, is to begin at 9 p.m. on the scheduled evening.

The art gallery is situated in the old mill building on La Honda's main street.

Persons wishing to attend the opening may obtain tickets from Bliss by addressing him through La Honda postoffice box 195.

REGULAR MEETING

Regular monthly meeting of the Menlo Park sanitary district board of trustees is to be held Monday night, Aug. 13, at sanitary district headquarters in the Menlo Park civic center.

CONSULTANT NAMED

Appointment of Miss Viola Owen as a consultant in education to the education division of the county school system was announced today by county Superintendent of Schools James R. Tormey.

Menlo Park Man Wins Bronze Star In Korea Fighting; Heroism Cited

(Special to the Recorder)

KOREA—First Lieutenant Edwin O. Burns, of Menlo Park, has been awarded the Bronze Star with "V" device for heroism in action, Third Infantry division headquarters has announced.

Lt. Burns, the husband of Mrs. Marie R. Burns, of 1019 Laurel street, Menlo Park, serves with company "D" of the 7th Infantry regiment.

The award was presented for action which occurred April 24, 1951, near Soichon-ni, Korea, where Lt. Burns acted as assistant platoon leader of the recoilless rifle platoon.

He had organized his unit to protect the right flank of company "B" when that unit was attacked by the enemy.

During the battle, he repeatedly exposed himself to the heavy enemy fire in order to place personnel mines about the perimeter and return the enemy fire.

He established contact with company "B" and was instructed to withdraw. He quickly organized an orderly withdrawal while still exposed to hostile fire.

The citation stated that the outstanding heroism and leadership displayed by Lt. Burns reflect the highest credit upon himself and the military service.

MP MAN PROMOTED TO CORPORAL

Cecil R. Cane, son of Mrs. Cecilia Cane of 1936 Manzanita street, Menlo Park, has been promoted to the rank of Corporal, it was announced by Colonel Chester W. Willingham, commanding officer of the 14th regimental combat team at Camp Carson, Colorado.

Corporal Cane is presently serving with the Operations section of headquarters and headquarters battery of the 537th field artillery battalion, which is a unit within the 14th regimental combat team.

ALBERT MEILKE PROMOTED TO MAJOR

(Special to the Recorder)

49th Fighter-Bomber Wing, Korea—Albert J. Mielke of Menlo Park, California, has been promoted to Major at a Fifth air force base in Korea.

Major Meilke is with the management analysis section of the comptroller's office of the 49th Fighter Bomber Wing. His duties are similar to those of an efficiency expert.

Through his studies of the "Forty-niners" operation, Maj. Mielke's advice has increased the efficiency of the 49th. The jet F-80s of the Wing are flying daily tactical combat missions against the enemy in Korea.

Maj. Meilke arrived in Korea in February, 1951. He completed officer candidate school at Miami Beach, Florida, and four years at Stanford university.

He is the son of Mrs. Lillian Meilke, 1347 University drive, Menlo Park.

His wife, Bernice, and their two children, Allen and Judith, reside at 154 Watkins avenue, Menlo Park.

MIDSHIPMAN ON CRUISE

Midshipman Thomas A. O'Halloran, Jr., United States NROTC, son of **Mr. and Mrs. Thomas A. O'Halloran** of 542 Santa Cruz avenue, and a student at Oregon State college in Corvallis, Oregon, departed from Norfolk, Virginia, August 3 on a one month cruise to U. S. and Carribean ports.

MIDSHIPMAN TOURS AIRCRAFT BASES

Naval Academy Midshipman Peyton Wise, son of Mr. and Mrs. J. H. Wise of 228 San Mateo avenue, will make a series of tours this month of the Naval Air station, Norfolk, Virginia, as part of the annual 1951 summer training air cruise for midshipmen.

These practice cruises are designed to enable the midshipmen to incorporate class-room theory with on-the-job training. The men are required to participate in two cruises to foreign ports and two air cruises throughout the United States.

VFW Issues Call For Drummers

Officers of Menlo Park Veterans of Foreign Wars Memorial post 7145 this week reiterated their invitation to all persons in the area to join the post's drum corps, now being organized.

Persons wishing to join need not belong to the VFW unit or its auxiliary, Al Niemeier, post public relations officer, said yesterday. All interested persons are invited to attend a meeting of the sponsoring organization, to be held at 8 p.m. Aug. 15 at the recreation rooms of the Menlo Park city council chambers building, civic center.

The drum corps will be under direction of Phil DiVittorio, Niemeier said, adding that there are no age or sex restrictions on prospective members.

Persons wishing further information are urged to call DA 2-5519.

BELLE HAVEN SHOPPING CENTER PLANNED

NEW SHOPPING FACILITY—Shown is an architect's sketch of a six-unit shopping center development to be erected at the northwest corner of Willow road and Newbridge street. The National Production Authority has issued a permit for materials for the structure, having a valuation of $37,500, indicating that construction is to start within the next few weeks. Julian Basin, the developer, said yesterday that the building will have a total of 7000 square feet of floor space, and that ample free parking space will be provided in the vicinity. Types of units were selected after the developer "polled" shoppers at a nearby market, asking them what types of stores they felt were needed east of Bayshore highway.

Need Is Urgent:

BLOOD DONORS CALLED FOR AUG. 14

Continuing to call for more volunteer blood donors, the Sequoia chapter, American Red Cross has set Aug. 14 as date for the next visit of the organization's "Bloodmobile" to Menlo Park.

On that date, the facility will be open at the Menlo Park city council chambers building, Menlo Park civic center, from 1 p.m. to 7 p.m.

Mrs. Frank Heathman, blood donations chairman, said this week that the Red Cross unit has been behind its quota for the past several weeks. The Red Cross will furnish transportation to those needing it in order to come to the blood donations center.

Persons may make donations without previous appointments if they have not eaten for four hours prior to calling at the blood bank.

Facilities are available for care of children at the council chambers building, Mrs. Heathman said, so that parents may bring their children while making donations.

Those wishing further information were urged to contact Mrs. Heathman at Sequoia chapter headquarters, EM 6-3851.

PRESBYTERIAN CHURCH
950 Santa Cruz Avenue
The Rev. Don Emerson Hall

The joint meeting of the official boards and the executive committees of the Presbyterian church will be held Monday, Aug. 13, at 6:15 p.m.

After a general dinner meeting, the separate boards will hold their own organizational meetings to discuss the program of the Church.

The Rev. Francis Lester Bouquet, D. D., professor of English Bible at the San Francisco Theological Seminary in San Anselmo, will occupy the pulpit this Sunday in the absence of the minister, the Rev. Don Emerson Hall.

The subject of his sermon, to be preached at both worship services, is "Our Supreme Symbol." Dr. Bouquet is well known in Menlo Park, having been pulpit guest for many years during the pastor's vacation.

The Chapel choir of high-school-age girls and boys, will sing at the 9:15 service; the Chancel (adult) choir at 11 a.m.

Maurice D. Ellison directs both choirs, accompanied by W. Leonard Beck at the organ. Visitors are always welcome at the worship services.

Sunday school children through the third grade have classes at both 9:15 a.m. and 11 a.m. A nursery for small children is provided during each service for the convenience of parents who wish to attend church at either hour.

• • • •

FIRST BAPTIST CHURCH

Wednesday evening at 8.
Sunday school: two sessions, 9:30 and 11 a.m.

A dream comes true!

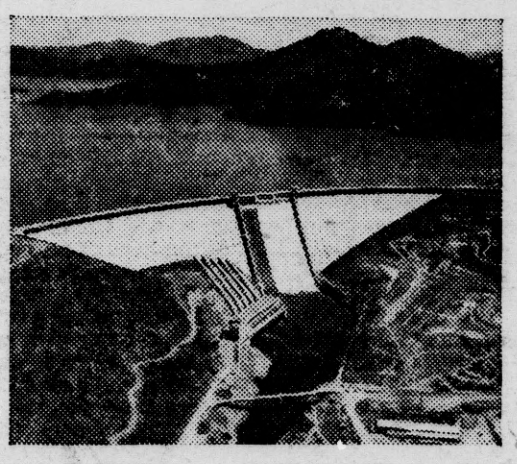
MORE WATER FOR CALIFORNIA FARMS!

Today water from Mt. Shasta flows through the canals of the great Central Valley Project. Californians have won a 16-year struggle with Nature to bring more water to the San Joaquin Valley, to add new agricultural wealth to the state.

CVP was conceived by the people of California. In 1935, they called in the U.S. Bureau of Reclamation to do the construction job. And today that job is practically finished.

All California profits, for since the business of our cities is largely dependent on agriculture, what benefits the farmer benefits everyone.

HOW P. G. and E. HELPS PAY FOR THE CENTRAL VALLEY PROJECT
and makes its water more useful...



Saves CVP users millions! Construction costs of CVP will total over 600 million dollars. This is to be repaid in 2 ways: 1) by sale of water; 2) by sale of electric power generated as a by-product. Already P. G. and E. has paid 37 million dollars to CVP for Shasta Dam power; and that power is transported to 5,000,000 Californians—*everyone within reach of our lines.* Our purchase of Shasta power reduces cost of irrigation water to farmers.

Aids in solving water problems. P. G. and E.'s Farm Power Advisory staff and pump testing crews are ready to help farmers get irrigation water at lowest cost. For those who switch from electric pumping to gravity irrigation, our men will assist in change-over plans. For the great majority who will continue electric pumping, our technicians will help solve water table problems. And as always, P. G. and E.'s Farm Advisory service is free.

Power rates among lowest in U.S. Electric pumping of irrigation water averages only 3½% of crop production costs. Yet it is largely responsible for California farmers' high income—income which is *three times* the national average. Electricity and gas are both cheap in California, for P. G. and E. rates are far below the U. S. average. Other costs have skyrocketed since 1940, but P. G. and E. prices are still low—and are today's big bargain.

At Sequoia Meeting:

Menlo-Atherton School Attendance Line Rapped, Supported; Arguments Listed

Sequoia high school district trustees Friday night reviewed their reasons for establishing the present "attendance line" for the Menlo-Atherton high school but took no action to move the line south and reduce the plant's enrollment when it opens next month.

The review was given before a group of about 20 south county residents, headed by Menlo Park Mayor and former Sequoia high school district board President Charles P. Burgess.

Citing figures which differed materially from those used by the trustees, Burgess, acting as the delegation's spokesman, argued that an opening enrollment of 1015 would relatively crowd the Menlo-Atherton school, built for 800 students, while Sequoia high school would have some capacity to spare.

The trustees maintained that there is more space available at Menlo-Atherton high school than is generally realized, in addition to recapitulating other reasons for leaving the attendance line at its present location along Second avenue and Selby lane.

A letter submitted to the trustees at their June meeting had suggested moving the line south to the northern city limits of Atherton, as a means of shifting students to Sequoia high school.

Giving the history of the establishment of the Menlo-Atherton school, Burgess explained that it was originally felt that a high school should be built to serve graduates of the Las Lomitas, Ravenswood and Menlo Park elementary school districts and that such a school should have had a capacity of about 600 students.

However, when bond issue funds became available for construction of the plant, it was indicated that a school for 800 students should be built.

URGENT CROWDING

When established last year, the line was north of where he had expected it to be, Burgess said, but at the time it was agreed to fill the new school in view of urgent crowding at Sequoia.

Menlo-Atherton high school, having an "overload safety factor" of 20 per cent, should therefore have a theoretical capacity of about 990 students, the mayor pointed out.

Meanwhile, although Sequoia high school has a desirable capacity of more than 2000 students after San Carlos-Belmont opens, it will have fewer students than in 1940, though 12 classrooms have been built there since that date.

"Assuming that Sequoia high school has a desirable enrollment of 2000 students and Menlo-Atherton has a desirable enrollment of 800, the latter school will be 27 per cent over this figure when it opens in the fall, while Sequoia will be only 16.5 per cent over its desirable enrollment," Burgess pointed out.

The "theoretical capacity" is 20 per cent greater than the "desirable enrollment."

1528 AT SEQUOIA

"When the San Carlos-Belmont high school is opened it will draw students from Sequoia but not from Menlo-Atherton; there will then be only 1528 students at Sequoia—which can handle 2400—and 1200 at Menlo Atherton.

"If the figures now being given are correct, then when we have all three schools complete and in operation, we will have room for 7100 students with out a fourth high school, or enough capacity to meet the anticipated needs of the 1959-60 school year," Burgess said.

"This would solve lots of problems.

"But if our capacity is this high, it seems to me that our building program is all wrong, and that we should go ahead with construction of gymnasiums and other special units at existing high schools.

"If our capacity is not that high, the Menlo-Atherton high school is overcrowded.

"It is my opinion that the latter is the case."

Trustee Ray Winther pointed out that there is "a considerable discrepancy" between the capacities of the San Carlos-Belmont and Menlo-Atherton schools.

600 CAPACITY

The San Carlos-Belmont plant will have a comfortable enrollment capacity of about 600, Winther said, adding that he considered the matter an administrative problem which, not being a professional educator, he did not feel competent to judge.

"Thoughts of a gymnasium and other units at Menlo-Atherton high school may materialize sooner if the school is filled to capacity," he said.

Trustees added that, if the attendance line were to be changed, teachers as well as students would have to be shifted, resulting in a more limited program at Menlo-Atherton.

William R. Lawson of Menlo Park, a member of the group of parents from the Menlo-Atherton school area, pointed out that, in the long run, it will not be possible to continue to send all students from the "fringe area" between the present attendance line and the Atherton city limit to the south county high school, in view of the rapid population growth of the Menlo Park, Ravenswood and Las Iomitas areas.

'MORE ECONOMICAL'

Robert Gottlieb, of Suburban park observed that it would probably be "more economical to start conservatively" in the matter of establishing an attendance area.

Board President Robert Dell'Ergo replied that thus far no one has asked to be transferred out of the Menlo-Atherton school to avoid crowded conditions and, in answer to a question by Dr. Kenneth Brown, added that the trustees were certain the school could easily handle the 1019 pupils expected to go there in the fall.

School district Superintendent Dr. Clyde Ogden said that a change in the attendance line would mean that about 274 graduates of Garfield and Taft schools would have to be shifted along with 9 teachers.

The trustees pointed out that plans for an eight-classroom addition to Menlo-Atherton high school are now being studied by state authorities in Sacramento. The new building, which would be completed next year, will raise Menlo-Atherton's capacity by another 240 students.

The "per pupil" cost of operating the school will go down until the plant's ultimate capacity of 1500 is reached, they added, and pointed out that, if the school is "well filled," less difficulty will be encountered in getting releases for building materials from the National Production authority.

CONTINUING STUDY

Board President Dell'Ergo reiterated his statement of the last two meetings of the board that the attendance line will be the subject of continuing study by the board, and will be changed as the need arises.

In answer to a question from the board, the new high school's principal, S. S. Mayo, said,

"In my best judgment the present line is the best one for this year."

Sequoia District Budget Adopted

Allowing teachers a $360 "cost of living" salary increase but trimming other items to austerity levels, Sequoia high school district trustees Friday night adopted a $1,381,196 budget for the 1951-52 school year.

Dropped from the budget was the "capital outlay" item, which totalled $259,039 in last year's record $1,390,550 budget.

The increase in teachers' salaries was made possible by an item in the budget allowing a $240 raise. Taking $21,192 from funds originally earmarked for the undistributed reserve, the trustees were able to increase the amount to the $360 figure. The raise will effect all day teachers and their administrators.

Chief items in the new budget include:

Administration, $27,550; instruction, $848,610; non certified salaries, $48,878; instructional supplies, $68,104; auxiliary services, $23,677; health service, $12,765; operation of school plants, $104,727; supplies, $13,711; utilities, $29,150; total maintenance of plants, $34,250; fixed charges, $35,180; transportation, $39,100; undistributed reserve, $57,171.

Income for the coming year is expected to include:

Balance brought forward and cash on hand, $92,013.90; state apportionments, $372,300; unsecured tax roll, $41,213; secured tax roll, $870,920 and other sources, $4750.

TORY DESIGNATED AS THE "DOMBY PROPERTY" TO THE CITY OF MENLO PARK

The Council of the City of Menlo Park does ordain as follows:

WHEREAS, under the provisions of the "Annexation of Uninhabited Territory Act of 1939" (Section 35300 and following Sections of the Government Code of the State of California), proceedings for the annexation to the City of Menlo Park of the territory hereinafter particularly described have been initiated by HEYMAN HOMES, INC., a corporation, the owner of a majority of the property in said territory to be annexed; and

WHEREAS, said territory hereinafter described and proposed to be annexed to the City of Menlo Park is uninhabited and is contiguous to the limits of the City of Menlo Park and is described as follows:

BEGINNING at a point on the corporate limits line of the City of Menlo Park said point being the point of intersection of the Northwesterly line of Stanford Avenue with the Southwesterly line of the lands conveyed to Cameron by deed recorded in Book 891 of Official Records of San Mateo County at page 244; thence along said Southwesterly line and the prolongation thereof, North 56° 30' West 355.90 feet to the Southeasterly line of the lands convoyed to Atkinson by deed recorded in Book 1095 of Official Records of San Mateo County at page 327; thence South 33° 30' West along said Southeasterly line and the Southeasterly line of the lands conveyed to Atkinson by deed recorded in Book 1096 of Official Records of San Mateo County at page 122, a distance of 566.28 feet more or less to Northeasterly line of the lands described in the Decree Quieting Title recorded in Book 1022 of Official Records of San Mateo County at page 93; thence along the Northeasterly line of the last mentioned lands Southeasterly to the Northwesterly line of Stanford Avenue and the corporate limits line of the City of Menlo Park; thence Northeasterly along the last mentioned line to the point of beginning.

WHEREAS, the Council of the City of Menlo Park, did by Resolution No. 897 give notice of such proposed annexation and did fix Tuesday the 31st day of July, 1951, at the hour of 8:00 o'clock P.M. of said day, at the Council Chambers in the City Hall, Menlo Park, California, as the day, hour and place when and where any person owning real property within such territory so proposed to be annexed and having any objection to the proposed annexation could appear before the City Council and show cause why such territory should not be so annexed as proposed in and by said Resolution No. 897; and

WHEREAS, upon the order and direction of the Council of the City of Menlo Park, the City Clerk of the City of Menlo Park did cause a copy of said resolution giving notice of such proposed annexation to be published at least once a week for two successive weeks prior to the day fixed for hearing in the Menlo Park Recorder, a newspaper of general circulation, published in the City of Menlo Park, the municipal corporation to which it is proposed to annex the hereinbefore described territory; and

WHEREAS, it appears from the affidavit of CLARENCE A. BURLEY that said notice was so published in said Menlo Park Recorder once a week for two successive weeks immediately prior to said hearing; and

WHEREAS, it appears that the date set for hearing was not less than fifteen days nor more than forty days from the date of the passage of said resolution giving notice of the proposed annexation of the hereinbefore described territory to the City of Menlo Park; and

WHEREAS, at the time set for said hearing, to-wit: the 31st day of July, 1951, at the hour of 8:00 o'clock P.M., no objection of any kind was made to said proposed annexation by and no owner of property within the territory proposed to be annexed filed or made any written protest against such proposed annexation, and said City Council has now acquired jurisdiction in said matter;

NOW, THEREFORE, the Council of the City of Menlo Park does ordain as follows:

SECTION 1. That the annexation of the territory hereinbefore described, which territory is contiguous to the limits of the City of Menlo Park, is hereby approved and said territory hereinbefore described is hereby annexed to and declared to be a part and portion of the City of Menlo Park, a municipal corporation, situated in the County of San Mateo, State of California.

SECTION 2. Immediately upon the within ordinance becoming effective the Clerk of said City of Menlo Park shall make under the seal thereof, and transmit to the Secretary of State a certiied copy of this ordinance giving the date of its passage, and shall file in the office of the Recorder of the County of San Mateo an affidavit stating that all requirements of the law pertaining to such proceedings have been complied with, and shall accompany said certificate with a certified copy of the boundary description of said annexed property as set forth in such proceedings, and also a map delineating such boundary as required by law.

SECTION 3. This ordinance is hereby declared to be an ordinance for the immediate preservation of the public health, welfare and safety on the ground and for the reason that in the territory hereinbefore described it is necessary that immediate police protection be afforded to said territory, and the residents and inhabitants thereof, by the police department of the City of Menlo Park, and for the further reason that building permits within the territory hereinbefore described must be controlled and administered by the Building Department of the City of Menlo Park forthwith; therefore, this Ordinance shall take effect immediately and shall be published and circulated within the City of Menlo Park.

INTRODUCED this 31st day of July, 1951.

PASSED AND ADOPTED as an ordinance of the City of Menlo Park, at an adjourned regular meeting of the Council of said City this 7th day of August, 1951, by the following vote:

AYES: Councilmen: Brown, Burgess, Church and Ford.
NOES: Councilmen: None.
ABSENT: Councilmen: Belangie.
APPROVED:

CHAS. P. BURGESS,
Mayor of the City of Menlo Park.
ATTEST:
MARGARET A. BECKER,
City Clerk of the
City of Menlo Park.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Menlo Park Elementary School District in the Office of the Superintendent, 1300 El Camino Real, Menlo Park, by 7:00 P.M. August 20, 1951, at which place and time they will be opened for the purchase of one school bus with a capacity of 31 elementary school passengers, in accordance with the following specifications:

1—Ford—158" wheelbase School Bus Chassis, Model F-5 with 6-7.50 x 20, 8 ply tires, 8 cylinder motor, 239 cubic inch piston displacement, 6.67:1 axle ratio, bus type clutch.

1—Gillig Bros. Elementary School Bus body, Model No. 515, 31 passenger, including painting & lettering; guaranteed to comply with all 1951 State Regulations; equipped with Heater and Defroster.

1—Vacuum Booster Brake Assembly with Vacuum reserve tank.

1—7.50 x 20, 8-ply tire and tube for a spare.

The above bus shall meet all requirements of the State Department of Education and the California Highway Patrol.

The Board of Trustees reserves the right to reject any or all bids, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

Signed: By order of the Board of Trustees, Menlo Park Elementary School District.
BEN G. HOLLAND,
Clerk.

NOTICE INVITING SEALED PROPOSALS
IMPROVEMENT PROJECT 1951-4

Pursuant to the Municipal Improvement Act of 1913, as amended, and the Resolution of Intention under Improvement Project No. 1951-4 adopted thereunder on June 12, 1951, by the City Council of the City of Menlo Park, California, and a resolution directing this Notice adopted the 24th day of June, 1951, said Council hereby invites sealed proposals for the improvements in said City, which improvements and descriptions of streets are more particularly set forth in said Resolution of Intention No. 885 (a) on file in the office of the City Clerk of said City, to which reference is hereby made for further particulars.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said City Council on the 12th day of June, 1951, and on file in the office of the City Clerk of said City, pursuant to said Resolution of Intention, which Resolutions are on file in the office of said City Clerk, and to which reference is hereby expressly made for a more particular description of the work to be done and for further particulars.

Payments will be made in cash by said City to the contractor on itemized estimates duly certified and approved by the City Engineer and said City Council, based on labor and materials incorporated into said work during the preceding month by the contractor, but said City shall retain ten percent (10%) of the amount of each such estimates, and the accumulations of said amounts so retained from said progressive payments will be paid to said contractor thirty-five (35) days after the completion and acceptance of said work by said City Engineer and said City Council.

Notice is hereby given that on June 12, 1951, this City Council adopted a Resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements in and for said City, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for full details thereof.

All proposals shall be accompanied by a certifed check payable to the order of the City Clerk of said City, amounting to ten percent (10%) of the proposal, or by a bond in said amount and payable to said City, signed by the bidder and two sureties who shall justify before any officer competent to administer an oath in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable

(Continued on Page 11)

(LEGAL NOTICES)

(Continued from Page 10)

to said City in case the bidder depositing the same does not, within fifteen (15) days after written notice that the contract has been awarded to him, enter into a contract with the City, the faithful performance of which shall be secured by an undertaking in the amount of 50% of the amount so bid, with sureties satisfactory to said Board, and which shall be accompanied by a labor and material bond in a sum equal to 50% of the amount of said proposal, under the provisions of the Labor and Materialmen's Act of 1919.

Notice is further given that the first progress payment will not be made until ninety (90) days after the commencement of work, if funds for such payment are not available. Thereafter progress payments will be made in cash.

Copies of plans and specifications and proposal sheets may be obtained from the office of the City Manager, City Hall, Menlo Park, California, and at the office of the City Engineer, Spring and Chestnut Streets, Redwood City, California.

A deposit of $10.00 per set of plans and specifications is required as a guarantee that they will be returned to him in good condition not later than forty-eight (48) hours after proposals have been publicly opened.

Said sealed proposals shall be delivered to the City Clerk of said City of Menlo Park on or before eight o'clock P.M. on the 14th day of August, 1951, said time being at least ten (10) days from the time of the first publication of this notice. Proposals will be publicly opened, examined and declared on said day and hour.

DATED: July 25, 1951.

MARGARET A. BECKER,
City Clerk.

Published: August 2, 9.

NOTICE

NOTICE IS HEREBY GIVEN that the City Council of the City of Menlo Park will hold a public hearing in the Council Chambers, at the City Hall, Menlo Park, California, on the 14th day of August, 1951, at the hour of 8:00 o'clock P.M. of said day for the purpose of considering, taking action upon and adopting the budget for said City for the fiscal year beginning July 1, 1951 and ending June 30, 1952.

NOTICE IS FURTHER GIVEN that at said time and place above mentioned, said City Council shall likewise hold a public hearing for the purpose of considering, taking action upon and adopting a real property tax rate for said City for the fiscal year beginning July 1, 1951 and ending June 30, 1952.

NOTICE IS FURTHER GIVEN that all persons interested in the above matters are hereby invited to attend said hearing at said time and place aforementioned; reference is hereby made to the proposed and tentatively approved budget, and other documents relating thereto and to said proposed tax rate for the fiscal year beginning July 1, 1951 and ending June 30, 1952, on file in the office of the City Manager, City Hall, Menlo Park, for further particulars.

By order of the City Council.

DATED: July 3, 1951.

MARGARET A. BECKER,
City Clerk.

Published: August 2, 9.

NOTICE INVITING SEALED PROPOSALS
(PORTABLE STEEL BLEACHERS)

The City Council of the City of Menlo Park, California, hereby invites sealed proposals for furnishing and delivering to the City of Menlo Park, F. O. B. Menlo Park, California, ten (10) units of portable steel bleachers (including all wood and sundry parts, fabricated and ready for immediate erection) each unit to be fifteen (15) feet long and five (5) rows deep, protected on three sides with double guard rail. Said bleachers shall be designed in accordance with the requirements, conditions and specifications on file in the office of the City Manager of the City of Menlo Park, and shall be Beatty Bleacher or equal.

Reference is hereby made to the requirements, conditions and specifications on file in the office of the City Manager of the City of Menlo Park, California, for further particulars.

All proposals shall be accompanied by a certified check payable to the order of the City of Menlo Park, amounting to ten per cent (10%) of the proposal, or by a bond in said amount and payable to said City, signed by the bidder and two sureties who shall justify before any officer competent to administer an oath in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said City in case the bidder depositing the same does not, within fifteen (15) days after written notice that the contract has been awarded to him, enter into a contract with the City, the faithful

OBITUARIES

Paul R. Bonnot

Funeral services were held Saturday afternoon for Paul R. Bonnot, marine biologist with the state division of fish and game whose researches are credited with paving the way for development of California's oyster industry.

Bonnot, who died Wednesday at Bodega bay, had been a resident of Menlo Park for the past 28 years. According to wire service reports, he was the victim of a heart attack suffered shortly after the docking of his diving tender, the "Broadbill."

Bonnot, who was 52, was an associate marine biologist with the bureau of marine fisheries. He was recognized as an authority on seals and sea lions, as well as various shellfish.

A native of Norfolk, Va., he had been with the fish and game division since 1925.

Survivors include his wife, Hester, a member of the Las Lomitas school district board of trustees; daughters Mrs. Frank G. Ford of Los Altos and Mrs. Frank Farr of Gridley; three grandchildren, Kathleen and Shephen Paul Farr and Regan Eugenia Farr; his mother, Mrs. Alexander Bonnot of Hollywood and a brother, Okeson Bonnot of Venice, Calif.

Funeral services were conducted from the Roller and Hapgood funeral home in Palo Alto, with interment at Alta Mesa memorial park.

Thomas T. Ganderup

Thomas T. Ganderup, Menlo Park area resident for the past 16 years, died last week at a Redwood City hospital as the result of injuries sustained in an auto accident three weeks ago. He was a native of Denmark.

Ganderup, a gardener, made his final home at 296 Santa Monica avenue. He was injured in an accident at Whipple avenue and Bayshore highway, Redwood City, which occurred July 12, and in which John Maurice Wolfe, also of Menlo Park, was fatally injured.

Ganderup, who was a member of the Redwood City Eagles' lodge, is survived by his mother, Anna Katrina Ganderup of Newman, Calif.; a sister, Mrs. William C. Franzen, also of Newman and two brothers: Knud T. Ganderup of Oregon City, Ore. and Martin T. Ganderup of El Cajon, Calif.

Funeral services were held Monday from the Roller and Hapgood funeral home in Palo Alto, with interment at Alta Mesa memorial park.

SUNSET MAGAZINE STARTS THE BIG MOVE

FIRST LOAD arrived at the new Menlo Park home of the Lane Publishing company, publishers of Sunset Magazine, last Saturday. Trucks, above, brought equipment of the circulation department, first section to move from the old headquarters in San Francisco.

Other departments expect to be moved into the ranch-style building at the corner of Middlefield and Willow roads by the middle of the month, according to L. W. Lane, publisher.

City Budgets Santa Cruz Widening Funds

The city council Tuesday night adopted a resolution apportioning a major share of the city's gas tax funds from the state for the widening of Santa Cruz avenue from University drive to Arbor road.

The resolution budgeted $34,750 of the year's gas tax funds, of which $15,000 is to be used for general street maintenance, $19,750 for the Santa Cruz widening project.

Approximately $6000 is also to be raised by assessment against affected properties and an additional $21,500 will come from the so-called Christmas tree fund, according to City Manager C L. Longson.

The widening will probably be undertaken simultaneously with work on the new parking plaza and alleys, Longson said, with actual construction being undertaken late this fall or in the spring.

17 MP Students Get Scholarships

Seventeen Menlo Park residents were this week listed among students at Stanford university who are to receive 359 scholarships and fellowships at Stanford university for the coming school year.

Announcement of the awards was made by university President Wallace Sterling. The total includes 317 scholarships and 42 fellowships.

The Menlo Park residents and the awards they are to receive include:

Charles Lindsey Adams: John M. Switzer honors scholarhsip.

Vernon Lockwood Anderson: Henry Newell honors scholarship.

Lyman Stewart Barrett: Arthur A. Newhouse scholarship.

Arnold P. Biella: Arthur A. Newhouse scholarship.

Harold J. Bienvenu: Eleanor Osborn scholarship.

William Robert Brannian: George Porter Baldwin honors scholarship; Arthur A. Newhouse scholarship.

Shih Chieh Chao: Arthur A. Newhouse scholarship; University honors scholarship.

George Hetland, Jr.: Arthur A. Newhouse scholarship.

Allan Hammond Kittell: William Pischel Memorial honors scholarship.

Darwin Cowley Knudsen: Henry Newell honors scholarship.

Judson Dodds McGehee. Arthur A. Newhouse scholarship.

Aaron Oken: Donald Porter Jacobs research fellowship; John Maxson Stillman honors scholarship in Chemistry.

Charles Elmer Rollins: Arthur A. Newhouse scholarship.

Gerhardt Edward Steinke: Arthur A. Newhouse scholarship.

Joseph Patrick Swanson: Arthur A. Newhouse scholarship.

John Henry Vitale: Stanford bookstore honors scholarship.

New Annexation Makes City Bigger by 5 Acres

Menlo Park is five acres bigger than it was last week.

At Tuesday night's meeting of the city council, an ordinance was officially adopted accepting the annexation to the city of the Domby tract on Stanford avenue between Lemon and Olive streets. The action automatically takes effect as soon as the secretary of state in Sacramento files the papers.

Simultaneously the city council approved a tentative subdivision map for the territory, which is owned by Heyman Homes, Inc., builders.

23 Disease Cases Listed Here

A total of 23 cases of communicable diseases, including 17 cases of measles, were reported from Menlo Park during July

The total also included two cases of whooping cough and tuberculosis and one case each of syphilis and rhuematic fever, according to the San Mateo county health and welfare department's monthly report

During the same period two communicable disease cases—one each of measles and syphilis—were reported from Atherton

Seven cases of chickenpox and one case each of measles and rhuematic fever were reported from East Palo Alto during the month.

FOR PLEASANT LIVING

Early California Adobe Goes Modern In This 'Hacienda' of the 20th Century

By JEANNE THOMAS

At 1775 Bay Laurel drive, the early California hacienda meets the ranch house of today. Built of adobe brick, but splashed with color, modernized with sliding glass doors and mechanized utilities, the residence of Mr. and Mrs. David Day and their 13-year-old son Donald, is a 1951 version of an age gone by.

A winding brick walk takes the visitor between lighted adobe pillars, past rolling lawn, to a large door of polished redwood, flanked by fluted glass panels and a copper lantern. A shake roof slopes lazily over large windows.

First impression upon entering is one of color versatility and expansiveness. The wall facing the entrance is a vivid green and gold "Fantasia" design on a background of pale beige. Woodwork has been treated to blend with the paper.

BEAMED CEILING

The comfort of low-slung furniture and the effect of floor-to-ceiling sliding glass doors highlight the living room with its beamed ceiling and walls of redwood. Bringing the outdoors indoors, the doorway of glass covers the entire back of the room, while the opposite wall is filled by the Arizona flagstone fireplace, surrounded by gayly-garbed windows.

The floor of quarter-sawed oak with black dowles is covered by a beige rug and blonde oak furnishings. Blond oak has been used throughout the home, serving to coordinate the "pot-pourri of personalities" decor.

Imitation grass cloth of green and brown cover the walls in the den, located to the right of the entrance hall. White-rose drapes blend with brown casual chair and divan, mahogany and oak end tables and radio. Copper and brass accessories add spice to the room.

AIRY KITCHEN

Knotty pine and ponderosa pine match textures in the airy kitchen. "Desert sand" tile and green rubber tile flooring further the sunny atmosphere. Curtains of brown, yellow, and green plaid travesel deck long windows over the sink and utility corner. Overlooking the patio is a breakfast nook of emerald green leatherette.

"A place for everything" is the motto here, where the cupboards of pine have been highlighted by chromed lead hinges, and the water softener, heater and furnace are housed in an easily-accessible closet.

A dutch door of redwood, with the top half a sliding screen, leads from kitchen to backyard. This is but one of three exits onto the terrace-patio, others being from the master bedroom area and from the front room. The U-shaped house is so wrapped around this outdoor arena as to make of it another room.

COLORFUL

Doorways from both kitchen and living quarters lead to a truly-unique dining room, oriental in decor and afire with color. Wallpaper is dark green, red and white. Chocolate brown and scarlet frieze upholster chairs of blond oak. A combina-

WRAPPED AROUND THE PATIO, the adobe brick home of Mr. and Mrs. David Day on Bay Laurel drive is a modernized version of the early California ranch house. —Menlo Camero Shop photo.

Dixson's Apparel Shop Opens Tomorrow

Scheduled to open tomorrow at 714 Santa Cruz avenue is Dixson's women's apparel shop.

Mr. and Mrs. Edward Dixson, proprietors, moved to the Peninsula five years ago from southern California and opened a similar store in San Carlos. Lillian Dixson had for several years been in the business of modeling and designing apparel for southern California manufacturers.

Edward Dixson had been for five years in the armed services.

The new store here, designed with an early New England atmosphere, will carry a complete line of feminine apparel.

Modern Etiquette

By ROBERTA LEE

Q. What is a good outline for the bride-to-be to follow in preparation for her wedding?

A. (1) Decide upon type of wedding. (2) Set the date. (3) Consult clergyman and organist. (4) Choose her attendants. (5) Plan reception or breakfast. (6) Prepare guest list. (7) Select wedding gown. (8) Mail invitations. (9) Confer with florist and caterer. (10) Arrange for wedding pictures.

Q. What is the best way for parents to thank friends who have sent gifts to their new baby?

A. The preferred form is to send personal notes, expressing sincere appreciation.

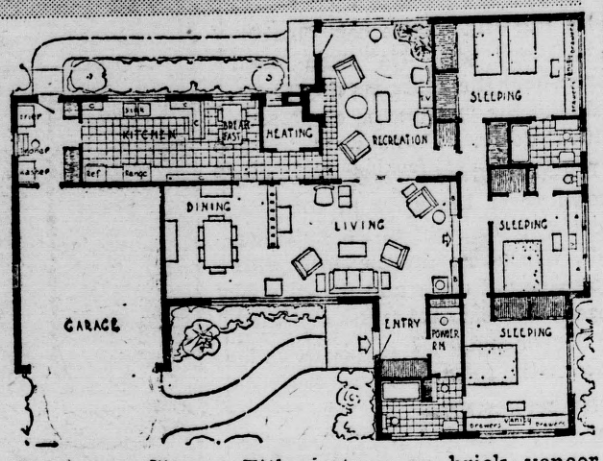
Q. If the marriage ceremony is to be performed in the clergyman's home or study, how are invitations issued?

A. Usually notes are sent to those whom the bride and bridegroom wish to have present.

Q. What are the hours for a wedding breakfast?

A. It's a wedding breakfast if it takes place before one p.m. After that, it's a reception.

Designed for Casual Living



Designed for gracious, carefree living in a relaxed, comfortable atmosphere is this three-bedroom home featuring a spacious recreation area which can be made part of the living area by opening the large, sliding glass doors. It is Plan No. 512 of W. H. Schumacher, Tower Theatre Bldg., N.W. 23rd St., Oklahoma City, Okla.

The living and dining areas also are continuous except for an ornamental grill which provides partial room division. The end wall of the recreation area is entirely of glass.

The architect specifies extensive hardwood plywood interior construction for strength, durability and cost economy, with richly-figured face veneers in living and dining area wall paneling. Abundant storage space is provided throughout the house and each of the bedrooms have plywood wall closets with wardrobe-type sliding doors, built-in vanities and chests of drawers.

Either stone or brick veneer construction is suggested for the exterior of this one-story structure which has an attached two-car garage. Because the architect designed this house for a moderate budget, he specifies materials which provide economy in first cost and upkeep—for example, asphalt shingles for the roof which are available in a wide array of blended or solid colors to harmonize with the stone or brick veneer sidewalls.

(Detailed building plans for this house are available from W. H. Schumacher, Tower Theatre Bldg., N.W. 23rd St., Oklahoma City, Okla. Refer to Plan No. 512.)

HOW CAN I?

By ANNE ASHLEY

Q. How can I prepare a mustard foot bath properly?

A. First dissolve the mustadr in cold water, then add it to the hot water. If the mustard is merely dumped in, it might stick to the skin and cause a blister.

Q. How can I cause potatoes to bake in much less time, and also be mealier?

A. Before baking the potatoes, soak them in hot water for thirty minutes; then wipe dry, and rub with butter.

Q. How can I retain the softness of chamois gloves after washing them?

A. After washing the gloves, rinse in clear warm suds, to which a few drops of olive oil have been added.

Q. How can I prepare the buttered crumbs which some recipes call for?

A. Melt the butter, add crumbs, and mix well; then sprinkle on top of the food. The butter will not mix evenly with the crumbs if it is just placed in dots on the food.

Q How can I remove tobacco stains from copper or brass ash trays?

A. Apply a little denatured alcohol with a small brush.

Q. How can I remove perfume stains from linen?

A. Peroxide will usually remove a perfume stain from linen.

Contrasting Flavors, Textures Will Keep Menus Interesting

A MEAL THAT'S LIVELY with color, exciting because of some soft foods, some crisp and crunchy, some tart and spicy while others have a subtle sweetness can keep appetite interest high.

Homemakers who want to keep their families looking forward to mealtime no matter what the weather plan menus with such rules in mind. Consequently menus never become dull, and it's easy to have nutritionally adequate foods not only served but eaten also.

It's fun to see what ingenuity can be used in combining foods for interesting menus. Here's a broiled cheese and rice combination that is proud to appear at any dinner table after a quick trip to the broiler. Dessert and salad courses are combined in one with a watermelon salad bowl, which offers fresh fruit with its crisp texture, an excellent contrast to the soft-textured foods of the main dish.

• • •

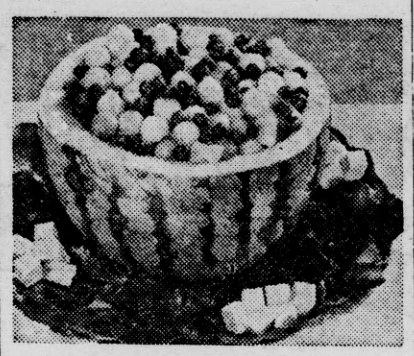
Broiled Cheese-Rice Platter
(Serves 4)

1½ cups cooked rice
1 cup chopped, cooked, drained spinach
1½ cups cheese sauce
4 slices tomato

Arrange rice on 10-inch oven platter. Pour half of cheese sauce over rice. Cover with spinach. Pour remaining cheese sauce over spinach. Place slices of tomato on top. Bake in a hot (450°F.) oven, about 10 minutes or until heated. Broil, 4 inches from heat, until cheese is lightly browned, about 2 minutes.

Liver Loaf slices nicely and has an interesting texture, as well as good color contrast when teamed with tiny pickled beets. Any type of liver may be used for this richly nutritious and appetite-satisfying main dish.

LYNN CHAMBERS' MENU
*Liver Loaf
Tiny Pickled Beets
Peanut Muffins
Fresh Pineapple-Banana Salad
*Lemon Crumb Crunch
Beverage
*Recipes Given



You may serve a half watermelon filled with pineapple, blueberries and melon balls as a salad-dessert for dinner, or as a main course salad for a luncheon. Fresh fruit flavors and colors in this type of salad offer cool satisfaction for warm day meals.

• • •

Watermelon Bowl Salad

½ watermelon
2 cups cantaloupe balls
1 cup pineapple wedges
1 cup blueberries
Cream cheese
French or other salad dressing.

With a ball cutter, remove the center from half of a short, thick watermelon. Toss the watermelon balls together with the cantaloupe balls, pineapple wedges and blueberries. Place the watermelon bowl on green leaves on a round chop plate and fill it with mixed fruit. Around the base of the melon, arrange groups of cream cheese cubes. Serve with French or other dressing.

A MENU THAT MATCHES the season and is full of contrast in texture and color is a broiled crabmeat and tomato sandwich. Pair this with green cabbage salad put together with sour cream dressing. A tangy lemon dessert completes the menu:

Broiled Crabmeat-Tomato Sandwich
(Serves 4)

8 buttered slices of bread (crusts removed)
1 6-ounce can crabmeat
2 medium tomatoes
Cheese sauce

Place one slice of bread in the bottom of each individual casserole dish. Spread with flaked crabmeat.

Old-Time Adobe Goes Modern in This 20th Century 'Hacienda'

(Continued from Page 1-B)

tion china cabinet and server are of the same wood.

Woodwork of pine has been treated to blend with the furnishings, and wide windows overlook the patio.

Northern side of the "wrap-around" house is taken up by two bedrooms and their adjoining baths. Birch doors lead to a large linen closet and hallway clothes niche.

Facing the front yard is young David Day's combination sleeping and play room. Plaid wallpaper is combined with woodwork and walls of Indian brown, and complemented by a large Navejo rug.

Built-in cabinets over the bed and across the opposite wall hold his books and toys. As in the den, windows are draped with white-rose travesel.

Coraline tile and woodwork cast a rosy glow in David's bathroom, where the tub is square, and grey shag rugs provide the only contrast.

MASTER SUITE

A subtle study in comfort is the master suite, with its pearl grey walls and deep shag rug. Gray walnut twin beds, under a single headboard, are covered by fleecy white spreads. White draw drapes of travesel cover an expansive view of the yard on the patio-side.

Focal point of the room is the wallpaper of black, spiked with purple orchids, covering the north wall. This touch of purple in the one wall is duplicated by a single slipper chair of the same hue. Spun nylon lamp shades on a base of black wood flank the beds.

A walk-in closet lined with cedar, and the adjoining bath of gray tile with orchid accents, complete the scene.

A redwood breezeway leads from kitchen to garage, where David Day has housed his workshop. Birdseye maple cabinets blend with knotty pine walls in this retreat, and a full bath has been installed to minimize tramping of dirt through the house.

A redwood fence surrounds the yard, which is half-lawn, half-cement covered patio. Bright lawn furniture fills the relaxation arena, which may be spotlighted for evening entertaining.

Lively Menus . . .

(Continued from Page 3-B)

Top with tomato slice and another slice of bread. Pour hot cheese sauce over each sandwich. Place under broil and broil for 7 to 10 minutes or until bread is heated through and nicely browned. Serve immediately.

LIVER LOAF is a nutritious menu brightener made of ground liver seasoned with a sly hint of onion and blended with egg and milk to come out of the oven a smoothly-satisfying meat loaf. Serve with pickled baby beets and peanut muffins for a menu that's thrifty and properly contrasted.

***Liver Loaf**
(Serves 6)

- 1 pound liver
- 3 cups enriched bread cubes
- 1 cup milk
- 1½ teaspoons salt
- ¼ teaspoon pepper
- 2 tablespoons minced onion
- 2 eggs
- 4 tablespoons melted shortening

Pour enough boiling water to cover over liver and let stand for 10 minutes. Remove from hot water and put through meat grinder, or cut into small cubes with scissors. Pour milk over bread cubes and let stand for 5 minutes. Add salt, pepper, onion, beaten eggs, shortening and liver. Mix thoroughly. Pour into greased, paper-lined pan. Bake in a moderate (350°F.) oven for 1 hour.

* * *

Sour Cream Dressing
(Makes 2 cups)

- 1 egg yolk
- 2 tablespoons sugar
- 1 tablespoon flour
- ½ teaspoon salt
- ½ teaspoon dry mustard
- ⅛ teaspoon paprika
- ¼ cup water
- ¼ cup vinegar
- 1 tablespoon butter
- 1 cup soured cream

Beat egg yolk with spoon in top part of double boiler. Mix dry ingredients and add to egg yolk. Mix well. Add water, then vinegar and cook over hot water until thick, stirring constantly. Add butter. Chill. Fold in soured cream just before serving. This is excellent for shredded green cabbage.

* * *

***Lemon Crumb Crunch**
(Serves 9)

- ½ cup sugar
- 2 tablespoons enriched flour
- ⅛ teaspoon salt
- 1 cup hot water
- 2 eggs, well beaten
- ⅓ cup lemon juice
- 1½ teaspoons grated lemon rind

Combine sugar, flour and salt. Add water and mix well. Cook over hot water until thick, stirring constantly. Remove from heat. Stir in a small amount of hot mixture into eggs. Add to remaining hot mixture. Cook over hot water 2 minutes, stirring constantly. Add lemon juice and rind and continue cooking for 1 minute. Remove from heat. Cool. Pour over layers of Crumb Crunch: Mix ½ cup shortening and 1 cup brown sugar. Add 1 cup enriched flour, ½ teaspoon salt, 1 cup wheat cereal flakes and ½ cup shredded coconut. Place ⅔ of crumb mixture in greased 8-inch square pan. Pour over filling. Toy with remaining crumb mixture. Bake in a moderate (350°F.) oven for 40 minutes. Serve cold with whipped cream.

Summer-Or-Fall Stole

Keeping out chilly breezes, whether at the beach or worn over your fall dresses and suits later, is the specialty of this soft, stylish stole. You can knit it in an all-purpose rayon yarn, using this delicate, lacy stitch, and carry it everywhere! Even a beginner will find this pretty accessory easy to knit — at the beach or on the bus. Soft rayon yarn won't tickle your sunburn, either! For free instructions, send a stamped, self-addressed envelope to the Woman's Page Editor of this paper.

LYNN SAYS:
Here are Foods For Out-of-Doors

When you're eating out, fix kabobs, those tempting tidbits on skewers. Cook them over coals, or broil them in the oven before bringing out to eat.

Beauty at Home

By LYNN CARTER

Q. What is a waist-slimming exercise I can practice?

A. Stand with feet 15 inches apart, hands locked overhead, and then bring the hands down together as if chopping wood between the legs at a fast tempo for 10 counts.

Q. How can I make my eyelashes appear longer than they erally are?

A. Lashes that curl always look longer. You can achieve this effect with an eyelash curler, obtainable at any drugstore. You can also curve them by brushing mascara on them and curving them back.

Q. Will you please give me a good recipe for a beauty mask?

A. Beat one egg yolk into a half-cup of cosmetic astringent oil, then add fuller's earth until thick and creamy. Apply to face and neck and leave on 20 minutes; then remove it, and ice the skin.

Q. How can I remove blackheads from my skin?

A. A soft complexion brush and plenty of soap will discourage more blackheads from appearing. To remove those you have, hold a hot washcloth over the area, then squeeze out with very clean fingers or a blackhead extractor. Apply antiseptic lotion.
